STATE OF THE STATE OF MISSISSIPPI'S CHILDREN & YOUTH 2025 County Level Factsheets

Pontotoc County

Notes

*Child care includes Head Start and centers and home-based options that are available in a community. These options do not include public Pre-K which falls under the purview of the Department of Education. While the number of child care seats exceed the number of children 0-5, this does not mean that coverage is available for every child, given that many fewer seats are available for infants and toddlers.

**Assistance includes SSI, Cash Public Assistance, or Food Stamps/SNAP received in the past 12 months.

^Indicates that these statistics rely on 5-year estimates (2019-2023)

‡Indicates that this variable is a 10-year average due to low population (2013-2022)

#Average number of children in MDCPS custody was calculated using the number of children in care on the first of each month for the past 12 months (December 2024-November 2025).

§Child and teen death rates were calculated based on the number of deaths of children and teens 0-19 between 2018 and October 2025.

This project was made possible by the Mississippi State Legislature via the Mississippi Department of Education (MDE).

The Children's Foundation of Mississippi is grateful for this support.

For more information about the Children's Foundation of Mississippi and to view the companion State of the State of Mississippi's Children & Youth Report (forthcoming January 2026), please visit childrensfoundationms.org.

§Child and teen death rates were calculated based on the number of deaths of children and teens 0-19 between 2018 and October 2025.

This project was made possible by the Mississippi State Legislature via the Mississippi Department of Education (MDE).

The Children's Foundation of Mississippi is grateful for this support.

For more information about the Children's Foundation of Mississippi and to view the companion State of the State of Mississippi's Children & Youth Report (forthcoming January 2026), please visit childrensfoundationms.org.

Webster County

Notes

*Child care includes Head Start and centers and home-based options that are available in a community. These options do not include public Pre-K which falls under the purview of the Department of Education. While the number of child care seats exceed the number of children 0-5, this does not mean that coverage is available for every child, given that many fewer seats are available for infants and toddlers.

**Assistance includes SSI, Cash Public Assistance, or Food Stamps/SNAP received in the past 12 months.

^Indicates that these statistics rely on 5-year estimates (2019-2023)

‡Indicates that this variable is a 10-year average due to low population (2013-2022)

#Average number of children in MDCPS custody was calculated using the number of children in care on the first of each month for the past 12 months (December 2024-November 2025).

§Child and teen death rates were calculated based on the number of deaths of children and teens 0-19 between 2018 and October 2025.

This project was made possible by the Mississippi State Legislature via the Mississippi Department of Education (MDE).
